**ADMINISTRATIVE LAW JUDGE'S RULING
DENYING PETITION TO INTERVENE**

I am in receipt of a July 12, 2006 petition to intervene in this proceeding by Manfred F. Gildner. Gildner, a Southern California Edison Company residential customer, seeks to intervene on the basis that he was affected by a settlement agreement in Application 02-05-004 and Investigation 02-06-002. He seeks to "become a party in the rate design phase of this proceeding."

This proceeding does not involve the settlement agreement cited by Gildner and does not involve rate design. Therefore, the petition to intervene should be denied.

IT IS RULED that the petition of Manfred F. Gildner to intervene in this proceeding is denied.

Dated August 1, 2006, at San Francisco, California.
